TERMS AND CONDITIONS

Smart Tuition receives your payments, processes them and deposits the funds into your school's bank account. Our secure website and customer service staff are available to families that have questions about their tuition payments.

Refunds: Smart Tuition does not issue cash refunds. Overpayments will be carried on your account and credited to future tuition payments. All reimbursements or refunds must be arranged with your school.

Late Fees: A late fee may be assessed by your school to your account if any payment is not posted by the payment due date.

Follow-up Service: In the event that your account becomes delinquent, Smart Tuition charges a fee in addition to your school's late fee for following up with you when your account is past due. Smart Tuition reserves the right to contact you weekly via mail, telephone, or e-mail until you pay the past due amount.

Returned Checks: A fee of \$25.00 will be applied to your account for a check returned by your bank due to insufficient funds.

Failed Bank Transfers: A fee of \$25.00 will be applied to your account for any failed bank transactions.

Please note all payments made via telephone and internet will take 2 business days to post to your Smart Tuition account.

Smart Tuition Privacy Policy

We take privacy seriously and we value yours. We do not disclose any nonpublic personal information about our customers or former customers to anyone except as permitted by law. Smart Tuition has adopted numerous procedures to protect the confidentiality of school and family information. We may collect personally identifiable information when you visit our site through the use of cookies. We also receive and record information on our server logs from your browser including your IP address, cookie information and the page(s) you have visited.

Smart Tuition Security Policy

Access to your personal and account information is restricted to those employees who need to know that information as part of their job, to service your account or to provide products and services to you. We maintain physical, electronic and procedural safeguards that are reasonably designed to guard your nonpublic personal information. We adhere to the Payment Security Industries Standard for storing card holder data.
