

Variety Show Participation Form

The Variety Show gives our students a chance to celebrate their gifts and talents with each other. It is a showcase not a competition. During the hour-long show, we want to see as many kinds of acts as possible. All talent is welcome. Students with a similar talent/routine may be grouped together as a single act...with everyone on stage while individuals come forward to “do their thing” before rejoining the group. There is a place for everyone who wants to take part. (A singing act is not lip-synching or singing along with a pre-recorded artist, students must know the words.) All acts will need to try out—a **practiced** act is needed—not just “making it up as it goes”. Mrs. Kevic’ will make arrangements to see your child’s act once the participation form is sent in. (Students will be asked to bring in any costume on the rehearsal day.)

I agree to let my child(ren) participate in the Talent Show on May 16th. **I have seen and approve of the act that he/she will be performing.** I understand that tryouts will involve pull out during class and/or may take place during lunch. My child(ren) must bring all items/costumes needed for the act. I will encourage him/her to practice act before the day of the talent show.
